Greetings Randolph Community Middle School Families!

Welcome back!! We hope you are enjoying a relaxing and fun-filled summer. The school year is quickly approaching; we have less than three weeks before the start of the 2017-2018 school year. We look forward to a continued, productive partnership with you to ensure that all of our students achieve to their highest potential. A strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success. We at RCMS want you to know that we will do everything in our power to prepare all of our children both academically and socially. We ask that you help guide and support your child's learning by ensuring that he/she:

- 1) Attends school daily and arrives on time (7:45 AM), ready for the day's learning experiences
- 2) Completes all homework assignments given by teachers
- 3) Reads daily to develop a love for reading and to improve literacy skills
- 4) Knows that you expect him/her to succeed in school and go on to college
- 5) Gets 8-9 hours of sleep each night so he/she is ready for the school day

Student Schedules: Student schedules will be available at the Jamboree on Saturday, Aug. 26th. It is imperative that all students report directly to their assigned room numbers on the first day of school. Any student reporting to class after 7:55 a.m. will be considered late. Students should arrive with a positive mindset, and be ready to learn on opening day!

During the first days of school, you will receive a series of important information via letters and flyers; please keep a copy for your records. You will also receive a number of forms that require your signature, including your child's health and emergency contact information. Please sign and return all forms to your child's homeroom teacher no later than Tuesday, September 5th.

The District Handbook can be accessed on the RPS Website: www.randolph.k12.ma.us, for your review. If you have any questions regarding the rules and expectations of RCMS or Randolph Public Schools, feel free to contact me or to discuss them with your child's teacher. It is very important to the RCMS community that you and your child are fully informed of the standards and expectations related to appropriate behavior as it will aid in another safe and productive school year.
